

Charm Lil' Squatch Pattern Guide

Charm Lil' Squatch

The Lil' Squatch Charm is a remarkable collectible from the Missing Link Charm collection, which was added to the game on the 4th October 2024.

Patterns

Like any other charm in the game, the Lil' Squatch charm is pattern based. The pattern determines the look of the charm itself. For the Lil' Squatch charm it changes the color of the charm's headband, shorts, and socks, depending on the pattern it can be orange, yellow, green, blue, purple, or pink.

Orange Patterns

The low patterns on the charm will make the charm's clothes orange. As the pattern gets closer to 1 it will be more orange. This means pattern 1 is the best pattern and the pattern where the charm is as orange as it can get.

Purple Patterns

The high-mid patterns on the charm will make the charm's clothes purple. As the pattern gets closer to 80.000 it will be more purple. This means pattern 80.000 is the best pattern and the pattern where the charm is as purple as it can get.

(Lil' Squatch: Pattern 80.000)

Pink Patterns

The high-mid patterns on the charm will make the charm's clothes pink. As the pattern gets closer to 100.000 it will be more pink. This means pattern 100.000 is the best pattern and the pattern where the charm is as pink as it can get.
